The news of Westwood Shipping Lines awarded eligibility of “ The Qualship 21 Program ”

It is hereby noticed that the vessels of Westwood Shipping Lines, Inc., for which Senwa Maritime Agency, Limited acts as its general agent in Japan, were awarded the eligibility of “ the Qualship 21 Program” by United States Coast Guard of U.S. Department of Homeland Security as of December 04, 2013.

This award is granted to best quality vessels through a most severe criteria thereby less than 10% of foreign-flagged vessels meet the eligibility requirements of this program among all vessels in service between U.S. and Japan.

Not only all staffs under the organization of Westwood Shipping Lines and but masters and crews member of each vessel have greatly contributed to the eligibility of this highly applauded program.

We, Senwa Maritime Agency as its general agent in Japan, will be supporting the continuity of this program for them ever after.
